The Employer, the Association, and the employees recognize and declare the necessity of providing the most efficient and highest quality services for the citizens and taxpayers of Pottawattamie County.

The employer, the Association, and the employees further recognize and declare their mutual desire to promote harmonious relationships among the parties covered by this Agreement to establish equitable and peaceful procedures for the resolution of grievances, and to assure the effective and efficient operation of Pottawattamie County.

ARTICLE 3
DUES CHECKOFF

The Employer shall deduct Association dues from the pay of employees under the following terms and conditions, to-wit:

- a. Dues will be deducted only from the pay of those employees who have requested, in writing, that the Employer make such deductions.
- b. Dues deductions may be terminated by any employee on thirty (30) days' written notice to the Employer; the employee shall give a copy thereof to the Association, but failure to do so does not affect the notice to the Employer.
- c. The Association's President and Treasurer shall certify to the Pottawattamie County Auditor the amount of dues to be deducted from each paycheck.
- d. The money deducted will be turned over to the Treasurer of the Association not later than ten (10) days after it is withheld.
- e. The amount of dues to be deducted shall be changed no more often than once during the contract year.

It is expressly understood that the Employer assumes no liability and shall not be liable for the collection or payment to the Association of any dues during the time that an employee is not actually working for, and on the payroll of, the Employer. In the event of error on the checkoff list, the County will not be responsible to make adjustments until notified of the error by the Treasurer of the Association.

The Association shall indemnify and hold the County harmless against any and all claims, suits, orders and judgments brought or issued against the County as a result of any action taken or not taken under the provisions of this chapter.

ARTICLE 4

EQUAL OPPORTUNITY

The Employer and the Association agree to cooperate fully to assure that there will be no unlawful discrimination against any employee or person seeking employment because of race, creed, color, national origin, sex, or age and will afford equal opportunity in hiring the physically handicapped by using the Americans With Disabilities Act as its policy guide in adopting requirements of job positions to be filled.

ARTICLE 5 DEFINITIONS

Employees shall refer to all employees of the Sheriffs Office. Office shall mean the Sheriffs Office.

Part-time employees and temporary employees are not included within the bargaining unit, are not entitled to any of the benefits of this Agreement, and shall not become regular employees unless first hired as permanent employees and thereafter successfully complete the applicable introductory period.

Introductory Employees.

- a. Deputy Sheriffs. With regard to Deputy Sheriffs, an Introductory employee is an employee who has not successfully completed twelve (12) consecutive months of continuous service, unless said employee has attended a law enforcement academy or a regional training facility certified by the Director of the Iowa Law Enforcement Academy, in which case the Introductory period shall be six (6) consecutive months or until successful completion of the academy or training facility program, whichever is longer. During the Introductory period, such employee may be removed or discharged by the Sheriff without cause.

This Introductory period for Deputy Sheriffs is in addition to any other introductory period an employee must serve, even if the employee has completed a different introductory period.

- b. Other Employees. With regard to all other employees, an Introductory employee is an employee who has not successfully completed one (1) year of continuous service. During the introductory period, such employee may be removed or discharged by the Sheriff without cause.

A regular employee is an employee, other than a temporary employee or a part-time employee, who has completed the introductory period.

Anniversary Date shall be the most recent date of hire with the Pottawattamie County Sheriff's Office.

Compensatory Time shall be an employee's chosen way for compensation of overtime worked in lieu of pay at the rate of one and one half (1½) times.

Continuous shift shall be a work schedule that allows for twenty-four (24) hour coverage.

ARTICLE 6 MANAGEMENT RIGHTS

In addition to all powers, duties and rights of the Employer established by constitutional provision, statute, ordinance, charter or special act, the Association recognizes the powers, duties and rights which belong solely and exclusively to the Employer, to-wit:

- a) the right to manage the Employer's operations and to direct the working force;
- b) the right to hire employees;
- c) the right to maintain order and efficiency;
- d) the right to extend, maintain, curtail or terminate operations of the Employer;
- e) the right to determine the size and location of the Employer's operations and to determine the type and amount of equipment to be used;
- f) the right to assign work, the right to determine methods and material to be used, including the right to introduce new and improved methods or facilities and to change existing methods and facilities;
- g) the right to create, modify and terminate departments, job classifications and job duties;
- h) the right to transfer, promote and demote employees;
- i) the right to suspend and discharge employees for proper cause;
- j) the right to lay off;
- k) the right to determine the number of persons to be employed by the Employer at any time;
- l) the right to enforce and require employees to observe rules and regulations set forth by the Employer;

provided, however, that these rights will not be used for the purpose of discriminating against any employee because of his/her membership or non-membership in the Association.

The list of management rights set forth above is not exclusive and it is understood that except as specifically and expressly modified or limited by this Agreement, all of the rights, powers and authority and prerogatives the Employer had prior to this Agreement are retained by and reserved to it and shall remain within its exclusive control.

ARTICLE 7 ASSOCIATION RIGHTS AND RESPONSIBILITIES

The Association recognizes its responsibilities as the exclusive bargaining representative of the employees within the bargaining unit, and realizes that in order to provide maximum opportunities for continuing employment and fair compensation, the Employer must be able to operate efficiently and at the lowest possible cost. The Association, therefore, agrees to cooperate in the attainment of the goals and agrees to the following, to-wit:

- a) that it will cooperate with the Employer and support its efforts to assure a full and fair day's work on the part of its employees;
- b) that it will actively combat absenteeism and any other practice which restricts efficient operations of the Employer; and
- c) that it will earnestly strive to improve and strengthen good will between and among the County and its employees, the Association and the public.

The Employer will not interfere with the right of its employees to become members of the Association. The Association will not interfere with the right of the employees to refrain from Association membership. There shall be no discrimination by the Employer or the Association because of membership or non-membership in the Association. The parties will not discriminate against an employee because of an employee's support or non-support, or participation or non-participation, in Association affairs and activities. The Association agrees that neither it nor any of its officers or agents will engage in any Association activity which will interrupt or interfere with the operations of the Employer.

For purposes of conducting Association business, the Employer agrees that a duly authorized representative of the Association may have access to the Employer's premises at reasonable times during working hours with the prior consent of the Shift Supervisor. Such visits shall not interfere with the performance of the job duties of any employee.

The Employer agrees to furnish and maintain bulletin boards or portions of bulletin boards, in convenient places, to be used by the Association. One (1) bulletin board shall be in the staff area for Road Deputies and one (1) in the staff area for Civil Deputies. The Association shall limit its posting of notices and bulletins to such bulletin boards and be responsible to monitor posting to insure no derogatory material toward the County, Sheriffs Department or Employees is posted. Derogatory information shall include but not be limited to cartoons, caricatures, political comments, political advertisements and unsigned material. The department reserves the right to recall any posted material it finds to be objectionable or inflammatory in nature.

The Employer may permit a limited amount of legitimate Association activity by local Association representatives, provided that such activity does not interfere with the performance of the job duties of any employee to be away from his/her assigned place of work, and provided further that work load requirements will not suffer as a result of such activity. The names of such authorized representatives shall be supplied to the Employer in writing and updated as changes occur. The Sheriffs' Department reserves the right to limit the number of employees involved and type of activity to be held.

ARTICLE 8 WORK STOPPAGE

The employer agrees that during the term of this Agreement, it will not engage in any lockout of its employees.

The Association agrees that neither it nor its officers or agents will cause, authorize, induce, encourage, instigate, ratify, condone or participate in any work stoppage, strike, slowdown or illegal picketing, including a refusal to cross any picket line, or any other action which interrupts or interferes with the operation of the Employer.

No employee shall cause, authorize, induce, encourage, instigate, ratify, condone or participate in any work stoppage, strike, slowdown or illegal picketing, including a refusal to cross any picket line, or any other action which interrupts or interferes with the operation of the Employer.

In the event of a violation of paragraph 3 of this Article or Section 12 of the Act by an employee, the Association agrees that it will take immediate, affirmative steps with the employee involved, including but not limited to sending out public announcements, letters, bulletins, telegrams and employee meetings, to bring about an immediate resumption of normal work.

In the event of a violation of any paragraph above, all legal censures of this act shall apply.

ARTICLE 9 HOURS OF WORK

This Article is intended to set forth the normal work week and work schedule, but shall not be construed as a guarantee of hours of work per day or per week, or days of work per week.

The normal work week for employees, other than employees working a continuous shift, shall consist of forty (40) hours, Monday through Friday, and the normal work schedule shall be eight (8) hours. The scheduled hours of the Investigation Officer may vary from the normal work schedule, as required by the job, but shall consist of a forty (40) hour week.

The normal work schedule for employees working a continuous shift shall commence on a date to be set by the Employer, and thereafter shall continue on the following schedule, to-wit:

- 1) six (6) consecutive eight (8) hour workdays, followed by three (3) consecutive days off, then six (6) consecutive eight (8) hour workdays, followed by two (2) consecutive days off;
- 2) a repetition of the above schedule.

Employees shall receive, when possible, a thirty (30) minute lunch period scheduled by the Employer as nearly as possible at or near the middle of their scheduled workday. This thirty (30) minute period shall be a paid lunch period for continuous shift employees.

Employees shall receive, when possible, a fifteen (15) minute break at or near the middle of the first and last half of their scheduled workday.

Employees may combine the paid lunch break and the two (2), fifteen (15) minute breaks.

It is understood and agreed that the work schedules for all employees may be changed by the Employer from time to time to meet the Employer's requirements. It is specifically understood and agreed that a second shift schedule or a split shift schedule may be necessary in the Civil Process Division, depending on the overtime situation. It is also understood and agreed that the Employer shall have the right to reduce, extend or maintain the hours of work for any employee, and employee shall be required to work as scheduled by the Employer. The Employer shall give the Association five (5) days notice of any major change to the work schedule.

ARTICLE 10 OVERTIME

A. Overtime. Overtime shall be defined as any time properly authorized or approved by the Employer and actually worked in excess of eight (8) hours in any calendar days, or in excess of the employee's regularly scheduled work hours. It is the policy of the Employer to keep overtime work to a minimum.

No employee shall be paid or otherwise compensated more than once for work performed, nor shall pay, compensation or benefits be pyramided.

Overtime work shall be mandatory when required by the Employer and the employee shall work the hours directed by the Employer. Overtime shall not be used to punish or reward employees.

Overtime will be compensated at one and one-half (1 ½) times the employee's regular straight time hourly rate of pay, which shall be computed on the basis of the number of work hours per year.

B. Call Back Time. An employee who is called back to work by the Employer shall be paid a minimum of two (2) hours pay at one and one-half (1 ½) his regular pay or shall receive compensatory time unless such call back is one (1) hour or less prior to the employee's regular shift. Also, the minimum does not apply when an employee is ordered to work beyond the employee's regular shift. This shall include call back time for court appearance, provided that the employee is testifying because of circumstances arising out of his or her assigned work duties, and further provided that the employee has been ordered to testify by a Supervisor or is subpoenaed.

C. Compensatory Time. An employee may choose compensatory time off in lieu of overtime or call back time.

An employee desiring compensatory time off rather than overtime pay shall notify the Employer in writing prior to the cutoff period for computing wages for the period in which the payment would ordinarily have been made.

The Employer shall keep a record of any compensatory time which an employee has earned or used and the employee may request to see such record at any reasonable time. Compensatory time will be taken at times requested by the employee after it is approved in writing on a form as approved by the employer. A maximum of forty (40) hours of compensatory time may be accumulated by an employee. This maximum may be extended by the Sheriff or his designee due to emergency situations. An employee who has accumulated more than forty (40) hours of compensatory time shall be compensated for all hours worked in excess of forty (40) hours.

ARTICLE 11

TRADE TIME

Employees may utilize a trade time agreement among themselves. Such agreement shall be voluntary and shall consist of employees agreeing to trade off working assignments in increments of eight (8) hour blocks.

Trade time agreements shall be between employees within the same job classification, except that the Employer has the discretion to waive this requirement. Employees utilizing this agreement shall agree between themselves as to the payback conditions, except that the payback must be accomplished within sixty (60) days of their agreement. Such agreement shall be written on a form provided by the Employer, signed by the agreeing employees and the employee's supervisors. All trade agreements must have prior written agreement of both employee's supervisor, whose agreement will not be arbitrarily or capriciously withheld and submitted and approved two (2) days in advance, except in the event of an emergency. If there is an emergency, then the decision to approve or deny will be at the discretion of both employees' immediate supervisors. In the event one or both of the supervisors are unavailable, the proper chain of command will be followed.

If a substituting employee fails to report for duty for any reason, it shall be the responsibility of the substituting employee to attempt to find a replacement employee. Should the substituting employee fail to find a replacement employee, any time lost will be deducted from the substituting employee's appropriate leave provision, and disciplinary action may be taken by the Employer.

ARTICLE 12 HOLIDAYS

Employees shall be granted ten (10) paid holidays, to-wit: New Year's Day, President's Day, Martin Luther King, Jr. Day, Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day, Friday after Thanksgiving and Christmas Day.

For employees who do not work a continuous shift, the Employer shall determine the date on which the above holidays are to be observed. When any of the holidays listed above shall fall on Saturday, the preceding Friday shall be observed as the holiday, and whenever any of the holidays listed above shall fall on Sunday, the succeeding Monday shall be observed as the holiday. Employees who do not work a continuous shift shall be given the day observed as the holiday as a day off with pay at the straight time rate.

A continuous shift employee who works the actual holiday and not the county observed holiday shall be compensated at the rate of one and one-half (1 ½) times the regular rate of pay for the actual number of hours worked. At the option of the employee, a continuous shift employee shall be paid or granted an additional day off within one hundred eighty (180) calendar days of the holiday as it falls on the calendar. The employee may request the additional day off within one hundred twenty (120) calendar days of the holiday. If the employee does not request the additional day off within one hundred twenty (120) calendar days, then the employee's supervisor has the authority to select a day off within the next sixty (60) days. Should the employee not use the holiday within this one hundred eighty (180) calendar day period, the employee shall be paid for the holiday at the straight time rate.

In the event that a holiday falls within an employee's vacation period, or in the event that a holiday occurs during an employee's bona fide sick leave, such employee shall receive holiday pay at the straight time rate. The employee will have the choice of either utilizing the holiday as vacation or sick leave based upon the employee's leave status. Should the employee decide to use either vacation or sick leave for said holiday, the employee would then receive an additional day off within one hundred eighty (180) calendar days of the holiday. When an employee requests time off, the employer shall provide a written copy of the approval or denial of that request to the employee or the employee's box as soon as possible.

Introductory employees will receive the designated holidays as regular employees.

ARTICLE 13 LEAVES OF ABSENCE

A. Sick Leave

Sick leave shall be used for personal illnesses and injury of the employee, including employees on the job injury or disability, subject to the provisions set out hereinafter. Illness and injury shall include but not be limited to examinations or treatments for medical, surgical, dental or optical problems that would render the employee unable to perform his/her duties in a normal manner.

An employee may utilize up to forty (40) hours of accumulated unused sick leave per calendar year for the care and necessary attention to ill or injured members of the employees immediate family. Immediate family for purposes of this section is defined as husband, wife, child, foster child, stepchild or parent.

The employee may be allowed to utilize up to two-hundred-forty (240) hours of their sick leave per contract year, if a serious health condition affects a member of the employee's immediate family as defined above. When granting additional sick leave, the county shall adhere to the definition of a "serious health condition" as outlined in the Family & Medical Leave Act of 1993.

In order to qualify for additional sick leave, the employee must have a FMLA request on file accompanied by a physician's certification.

Employees shall be granted twelve (12) hours of sick leave per month, and shall have the right to accumulate unused sick leave up to a maximum of one-thousand forty (1,040) hours. An Introductory employee will not be allowed sick leave until the employee completes six (6) months of continuous service, except as set out in paragraph 7 hereinafter, at which time such employee will be credited with the number of hours earned from the employee's date of hire.

Sick leave may be taken in one-quarter (1/4) incremental periods.

Except in cases of serious confining illness which are certified by a physician, sick leave will not be paid on the working day immediately preceding or following a holiday, unless the Employer is confident such sick leave is not being abused.

The Employer reserves the right to require a physician's certification for any absence due to sickness. The cost of obtaining a physician's certification as required by the Employer pursuant to this paragraph shall be borne by the Employer. If the Employer elects to require a physician's certificate pursuant to this paragraph, the Employer shall so notify the employee at the time the employee notifies the employer that he/she is sick.

To be eligible for sick leave payment, an employee shall notify the employer at least one (1) hour prior to start of the shift, but in any event, not later than the starting time of the employee's workday, unless the personal illness or injury occurs while at work.

Upon retirement, resignation or death, an employee or the employee's beneficiary or estate shall be reimbursed for the employee's unused accumulated sick leave over eight hundred (800) hours in an amount not to exceed \$2,000.00. Employee shall be paid for said unused accumulated sick leave at the employee's regular pay at the time of retirement, resignation or death.

Termination of service shall terminate any and all obligation of the Employer in connection with unused sick leave time.

An employee who has accumulated 1,040 hours of sick leave may convert $\frac{1}{4}$ of his/her accumulated sick leave in excess of 1,040 hours to vacation leave.

An employee who has exhausted their sick leave may participate in the sick leave donation program as outlined in the county personnel policy manual.

B. Funeral Leave

An employee, including an Introductory employee, will be granted not to exceed twenty-four (24) hours of paid leave in order to arrange and attend the funeral of the employee's mother, father, wife, husband, son, daughter, foster child, step-child, mother-in-law, father-in-law, brother, sister, brother-in-law, sister-in-law, grandparents, grandchild or the spouse's grandparents. Any such leave shall be only for the scheduled workdays falling within the period commencing with the death and extending through the day of the funeral.

Any employee who has completed the Introductory period will be granted four (4) hours of leave without pay to attend the funeral of a close family friend, eight (8) hours of leave with pay to attend the funeral for a fellow employee or relative not listed above. In the event of the death of an employee of the Sheriff's office, the Sheriff or his designated representative shall determine the minimum staffing requirements that will need to be in place at the time of the employee's funeral.

C. Jury and Election Duty

Any regular employee selected for jury duty or to work at the election polls shall receive a paid leave of absence for the time the employee spends on such duty. Said employee shall receive his/her regular wages and shall turn over to the Employer his/her jury or election services fees.

An employee who is summoned for jury duty or to work at the election polls, but is not selected, or an employee who is released from jury duty or from work at the election polls with an hour or more remaining on the employee's shift, shall return to work immediately.

If an employee is called for jury duty or to work at the election polls, the employee shall promptly notify the employee's immediate supervisor and provide the supervisor with a copy of the jury or election poll summons.

D. Military Leave

All employees, other than employees employed temporarily for six (6) months or less, who are members of the National Guard, organized reserves, or any component part of the military, naval or air forces or nurse corps of the state or nation, or who are or may be otherwise inducted into the military service of this state or of the United States, shall be, when ordered by proper authority to active state or federal service, entitled to a leave of absence from their employment with the Employer for the period of such active state or federal service, without loss of status or efficiency rating, and without loss of pay during the first thirty (30) days of such leave of absence. The Employer may make a temporary appointment to fill any vacancy created by such leave of absence, and may require documentation of such military service.

E. Voting Leave

Any employee, including an Introductory employee, required to work for all of the hours during which the polls are open on an election day, shall be given sufficient time off to vote.

F. Maternity Leave/Paternity Leave

An employee anticipating a maternity leave may be entitled to a leave of absence without pay if she has exhausted her sick leave. An employee anticipating such leave shall notify the Employer as soon as possible of the anticipated date of birth.

The employee requesting maternity leave shall present a doctor's statement verifying when the employee's condition requires her to leave work and shall present a doctor's statement within ten (10) days following birth or miscarriage as to when the employee is able to return to work, and unless the employee returns to work within three (3) days of such date or any other date by reason of extension granted by the Employer based on medical grounds, the employee will be considered to have voluntarily resigned or retired.

Male employees shall be permitted to utilize sixty (40) hours of accumulated sick leave for the birth and/or care for a newly-born or newly-adopted child.

G. Leave of Absence Without Pay

A leave of absence without pay is a predetermined amount of work days off from work for whatever purpose, which has been requested by the employee and approved by the Employer in writing. The employee will be given a copy of the authorization. In order to be eligible for a leave of absence without pay the employee does not have to utilize all other paid leave; however the leave of absence shall be authorized at the Sheriff's discretion taking into account shift coverage. The leave of absence without pay shall be for a minimum of thirty (30) calendar days and shall not exceed one (1) calendar year. The Sheriff may approve a deviation from these time periods provided the employee's reason for requesting a leave of absence without pay is required by a medical condition. The employee shall submit a certificate from the employee's attending physician or practitioner or submit to a medical examination.

Upon termination of any such leave of absence, the employee shall return to work in the same step or capacity as when he/she left, provided that during such period, no employee shall earn sick leave, vacation leave or other leave.

In the event an employee fails to return to work at the end of any such leave, he/she shall be deemed to have voluntarily resigned on the last day of work prior to such leave.

During a leave of absence without pay, the employee:

- a) must pay group hospital premiums falling due during any month the employee is not on the payroll;
- b) must pay premiums for coverage under any group life insurance plan;
- c) shall not receive any other job benefits during the period of absence;
- d) shall not acquire additional seniority during said leave; and
- e) shall not work unformed secondary employment.

When an employee requests time off, the employer shall provide a written copy of the approval or denial of that request to the employee or the employee's box as soon as possible.

ARTICLE 14 VACATIONS

Every employee shall be eligible for paid vacation time after one (1) year of service with the Employer.

Vacation allowances shall be earned based on the following schedule, providing that existing employees shall not have a reduction in the number of their vacation days:

<u>Employment Requirements</u>	<u>Vacation Period</u>
After 1 year of continuous service	80 hours per year
After 6 years of continuous service	120 hours per year
After 15 years of continuous service	160 hours per year

The rate of vacation pay shall be the employee's regular straight time rate of pay in effect for the employee's regular job on the payday immediately preceding the employee's vacation period.

Vacation may be taken in one (1) hour incremental periods.

Vacations shall be granted at the time requested by the employee, subject to the approval of the Employer. The request is to be made in writing. In the event of an emergency, the employee's immediate supervisor may approve or deny an immediate request for the use of vacation earned, taking into account the factors surrounding the request and shift coverage only. The Employer shall have the right to approve or disapprove of an employee's requested vacation period, considering the scheduling requirements of the department, and shall not consider individual personalities, nor shall the Employer discriminate between or among employees. If the work load permits vacation, but the number of persons on vacation must be limited, seniority based on the date of hire shall govern. Any request for vacation submitted on or before March 1 shall be allocated by seniority based upon date of hire of the employee. Any requests made for vacation after March 1 shall be allotted on the first come first serve basis with seniority having no impact.

If the work load permits vacation, but the number of persons on vacation must be limited, seniority based upon the date of hire shall govern. When an employee requests time off, the employer shall provide a written copy of the approval or denial of that request to the employee or the employee's box as soon as possible.

Accordingly:

- a. The first vacation period earned, after completing one (1) full year of service, shall be taken prior to January 1, unless the Employer, for good cause, extends the period.

- b. Thereafter, on January 1 of each year, the Employer will credit each employee with the amount of vacation the employee will earn on the employee's next anniversary date, determined on the basis of the contract in effect on that January 1. If an employee uses vacation credited on January 1, prior to the time it is earned, and if the employee is terminated for any reason prior to the time the vacation is earned, the employee will reimburse the Employer for the vacation pay.
- c. No employee shall be entitled to vacation pay in lieu of vacation.
- d. Up to one hundred sixty (160) hours of vacation may be carried from one year to the next only if the employee gives written notification of the employee's intent to carry over vacation hours to the Sheriff or Chief Deputy on or before December 15 of each calendar year. If hours are carried over to the following year, they must be used on or before June 30 of the following year or they will be forfeited.

ARTICLE 15

GRIEVANCE PROCEDURE

A grievance is defined as a dispute an employee may have with the Employer concerning the interpretation, application or violation of the express terms of this Agreement by the Employer. The time for filing a grievance shall commence when the employee receives notification of the change. Should an employee have a grievance, it shall be adjusted in the following manner.

Step 1:

1. An employee shall submit a written grievance to the Sheriff, Chief Deputy, Lieutenants or Office Coordinator with a copy provided to the Association President within fifteen (15) calendar days the employee knew or should have known of the grievance. The written grievance shall be time stamped and signed by the Sheriff or his designee to indicate the date it was received by the Sheriff or his designee.
2. The Sheriff or his designee shall respond in writing to the grieving employee with a copy provided to the Association President within fifteen (15) calendar days from the date of receipt of the grievance. The Sheriff or his designee shall time stamp the response and the grieving employee or the Association President shall sign by the time stamp or it shall be served upon the employee by a Deputy.

Step 2:

- a. If the grievance is not resolved to the employee's satisfaction, the employee may, within ten (10) calendar days of the response's time stamped date, file a written request for arbitration with the Sheriff or his designee. The written request for arbitration shall be time stamped and signed by the Sheriff or his designee to indicate the date it was received by the Sheriff or his designee.
- b. The parties shall meet within ten (10) calendar days to select a mutually agreed upon arbitrator. If an arbitrator cannot be agreed upon, then either party may contact the Iowa Public Employment Relations Board (PERB) to request a list of five (5) arbitrators.
- c. The parties shall meet within five (5) calendar days of receipt of the arbitrator list from PERB to select an arbitrator. Each party shall strike two (2) names from the list, with the party requesting arbitration to have the first strike.

The time limits shall be strictly construed as to both parties, except as mutually agreed upon by both parties in writing. Failure to comply with the time limits by an employee shall result in a forfeiture of the grievance. Failure to comply with the time limits by the employer shall result in an unconditional acceptance of the employee's remedy requested in that step.

The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue or issues submitted in writing by the parties and shall have no authority to make a decision on any other issue not so submitted.

The arbitrator shall submit the decision in writing within fifteen (15) days following close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof in writing. The decision of the arbitrator shall be final and binding on both parties.

An employee shall have the option of filing a claim or complaint under either this Article or under Civil Service, but not both.

An aggrieved employee shall have the right to process his or her grievance individually, by the Association and/or by an Attorney at Law. If the employee processes the grievance individually or by their own Attorney, then the Association shall have the authority to join in the grievance at any step in the grievance process. Additionally, the Association shall be authorized to present a common grievance to the employer on behalf of a group of Association members.

If a grievance is not resolved in the first step and goes to an arbitrator for a decision, then the fees and expenses of the arbitrator shall be borne by the losing party. Each party shall pay its own cost of preparation and presentation for arbitration. No stenographic transcript of the arbitration hearing shall be made unless requested by a party. The cost of stenographic reporting of the hearing shall be borne by the party requesting the same, except that the other party may request a copy of such transcript, in which case the parties shall equally divide the cost of stenographic reporting and of the transcripts.

Grievances may be investigated, processed and presented by a representative during working hours within reasonable time limits without loss of pay, provided notice is given and the work load permits. The Employer's determination as to work load shall be subject to arbitration only to the extent that the Employer's action is shown to be an attempt to frustrate the grievance procedure, discrimination between or among employees, or to harass or coerce the Association.

ARTICLE 16 SENIORITY

For all purposes under this contract, seniority is defined as an employees length of continuous service with the Pottawattamie County Sheriff's Office from his/her civil service or civilian date of hire, except for bidding, in which case seniority shall be defined as the total number of days worked within a job classification.

Seniority within a job classification shall be retroactive for all current employees of the bargaining unit.

New employees shall be added to the seniority list from their date of hire after completing the introductory period.

The seniority list for employees shall be maintained by the Employer and renewed and posted on employee bulletin boards every six (6) months. A copy of the seniority list shall be made available upon request by the Association. Any protest as to the correctness of the list must be made in writing to the Employer within thirty (30) working days. 1. Criminal Records Technician
2. Civil Clerk

5. Road Deputy
6. Corporal

For shift bidding purposes, if a Corporal or an Investigator voluntarily or involuntarily returns to the job classification from which he/she was appointed, then he/she shall retain his/her combined seniority in the classifications of Corporal or Investigator and the job classification from which he/she was appointed. If a Corporal or Investigator is assigned to work within a different classification from where he/she was appointed and/or assigned, then the Corporal or Investigator still retains the seniority yet ceases to accrue seniority within the old classification. The Corporal

or Investigator would then start accruing seniority within the new classification. Seniority gained within a classification shall not be lost in moving between classifications but shall be maintained in the event the employee returns to that classification.

It is the right of the Employer to determine when a job is vacant and when it will be filled.

An employee who is promoted to a position outside of the bargaining unit and subsequently returns to a position within the bargaining unit shall be given full credit for the service earned prior to his/her promotion and additionally will be credited with the earned service to his/her promoted position after he/she had fulfilled the Introductory period. Seniority will be the total amount of service spent in both the bargaining and promoted positions and may be used accordingly where seniority is referred to in this contract. If an employee returns to a bargaining unit position between the seniority bidding process, the employee may not exercise that seniority until the next regular bidding process is held. Assignments, vacation schedules etc. will be at the discretion of the Sheriff until the next bidding process takes place.
